

# Precautions we are taking to ensure YOUR safety.

## Screening Procedures

All patients, visitors, and staff are being screened prior to entering our facility. Both temperatures and symptoms are being checked.

## Face Mask Protection

We are requiring all patients, visitors, and staff wear a mask at all times while in the facility.

## Social Distancing

Please stay at least 6 feet apart from other people in any area of our facility.

## Best Hygiene Practices

Wash hands or use hand sanitizer regularly. Cover any coughs or sneezes with a tissue and discard.

**We have updated our visitor policy, effective AUGUST 3, 2021.**

**VISITORS WILL NOT** be allowed into our facilities, with the following exceptions:

- **OB:** 1 care partner for the duration of the stay.
- **Inpatient:** 1 adult only if it is necessary to the patient's care, or if the patient is a minor.
- **Outpatient:** 1 adult, only if patient is a minor, an OB patient presenting for an ultrasound appt., or that is necessary to the patient's care.
- **ER:** 1 adult only if it is necessary to the patient's care, or if the patient is a minor.
- **SMC:** 1 adult if it is necessary to the patient's care, or if the patient is a minor.

- **For OR patients**, the nurse and doctor will call a family member with updates, and at time of discharge.

- **For patients at end of life**, visitors limited at the charge nurse's discretion.

- Visitors **WILL NOT** be permitted for COVID positive patients, or possible COVID positive patients. **NO EXCEPTIONS.**

Visiting hours are 7am-7pm. Approved visitors may enter thru the Outpatient Entrance from 7am-5pm. After 5pm, approved visitors are asked to enter and exit through the Emergency department.

**Quality healthcare, close to home.**

## We are here for you

Our staff is here for you, and may serve as a resource to address any questions or concerns.
