

We've Got You Covered

Meeting the challenges of COVID-19

Now more than ever, Gonzales Healthcare Systems is fully committed to the health and well being of our entire community. To be sure, COVID-19 has challenged all of us, but together we have responded and are moving forward. Our hospital and clinics are equipped and ready to care for you and your family with a full range of services related to the fight against COVID-19.

Prevention:

Vaccinations to help prevent severe sickness and hospitalization.

Testing:

COVID-19 testing if you are feeling ill or showing symptoms.

Treatment:

Inpatient and outpatient care, including monoclonal antibody infusions.

**For a vaccination appointment, call 830.672.7581 ext.1007.
For testing and treatment options, call 830.672.8502.**
